

The 2021 Best Little Yarn Crawl in Texas runs from October 8th through the 17th. We are excited to welcome you back into our stores. After such a challenging year, we wanted to do things a little differently this crawl so make sure to check here for all the news.

- Passports-This year there are NO passports. You do not have to purchase anything to join the fun. Come see us online or in store for featured discounts, special events and door prizes.
- Happy anniversary! To celebrate 15 years of crawl, stores will have a limited supply of souvenir project bags that will be given away with a purchase of \$75 or more. Shop early to get yours.
- Every store is keeping their own special crawl hours so please check the store guide for information and to plan your route.
- Each store is featuring a brand of yarn at 15% off. This means all yarns that are part of that brand are on sale during the crawl.
- Each store will have their own safety policies, mask requirements and/or in store customer limits so please check the store guide or store websites for the most up to date information

Thank you for all your support during the last year.
We can't wait to see you!
